AMERICA DREAMS

About the Fest:

IngenuityFest 2026: America Dreams, asks one big question: What does America dream about?

Cleveland's coolest arts & technology festival invites audiences to consider the dreams that connect us, while celebrating celebrating the artists, makers, performers, and innovators who help imagine new possibilities for our future. Since 2004, IngenuityFest has pushed the boundaries of art and science, bringing the two together in unexpected ways. This festival lasts for only one weekend, but Ingenuity Cleveland, as an organization, supports over 10,000 hours of creative work and combined imagination year-round to bring you experiences that you'll never forget!

About the Space:

Ingenuity Cleveland is proud to be Cleveland's largest collaborative home for creatives, offering free & accessible workshops; support for entrepreneurs; event rentals; workforce development; public art programming & more. In 2025, we closed out our 20th season with an expansion of IngenuityLabs and commitment to develop nearly 100,000 square feet of new creative space, more than doubling our year-round footprint. We will open a new fabrication shop; more than double the number of Incubator members; and ensure that Cleveland continues to have a Big, Loud, Dirty, Messy space to ignite the creative spark!

Have an idea? Want to Support?
Be sure to get in touch!

info@ingenuitycleveland.org!

IngenuityLABS & Labs Members:

IngenuityLabs provides spaces, tools, resources and networking opportunities. We encourage collaboration among artisans, technologists and innovators through our complementary year-round programs: IngenuityLabs Incubator and our community-driven creative collective, the Ingeneers.

IngenuityLABS

1st Floor

IngenuityLabs serves as a main hub for the Festival. In our year-round HQ where you can meet our makers; access the Tesseract Stage, Main Bar, and elevator to Makers Mecca & Ideation Station. Be sure to visit our INFORMATION STATION to help you find everything!

What's Next for Ingenuity Cleveland?

Ingenuity Cleveland is a year-round workshop and shared space for nearly 40 IngenuityLabs Incubator businesses (slated to reach 50 in the coming year) and a creative collective of 300+ "Engineers." We are currently focused on developing the following spaces to support creativity, connection, workforce development and entrepreneurship in Cleveland:

- The Ingenuity STEAMshop: a Blackbox Theater, Technical Space
- & Full-sized FIRST Robotics Arena serving local school, universities & performance groups
- First Impressions Gallery: a True Front Door for IngenuityLabs, including a reception area and white-wall event space opening to Hamilton Avenue
- Ideation Station Teaching Classroom: equipped for Design-Thinking and Project Based Learning Modules serving local K12 and College Students.
