**FOR IMMEDIATE RELEASE...**

**IngenuityFest 2023: Biologies & Geologies is September 22-24 at the Hamilton Collaborative in St. Clair-Superior!**

Local artists, performers, makers, and vendors can still join the spectacle!

July 28, 2023 - (Cleveland, OH) Tickets are now on sale for IngenuityFest 2023: Biologies & Geologies taking place September 22-24 at the Hamilton Collaborative (5401 Hamilton Avenue) in St. Clair-Superior. Guest can secure their tickets today at [bit.ly/ingenuityfest2023!](https://bit.ly/ingenuityfest2023)

Ingenuity Cleveland is thrilled to share the initial details about their 2023 festival. IngenuityFest will once again be held at IngenuityLabs in the St. Clair-Superior neighborhood on Cleveland's East side. The festival will feature exciting new spaces to explore throughout the 300,000+ square foot former industrial building as part of Ingenuity's newly expanded year-round footprint. Get ready to spelunk your way through the festival's crystal caverns, soaring jungles, and relics of Cleveland's post-industrial past.

Dedicated to rebirth, and a celebration of our world's resources and wonders, this year's Fest will explore how human imagination interacts with our planet's earth, air and water. IngenuityFest 2023 is a journey through enchanted forests, aquatic landscapes and more, at once whimsical and wholly serious in its dedication to environmental stewardship, sustainability and innovation and human invention.

In addition to unique performance spaces, original works, and hundreds of exhibitors, performers and artisans, in 2023, we'll welcome returning festival villages Makers Mecca, Wellness Way, Inventors Emporium, Ideation Station and IndusTree Alley, dedicated to changing perceptions about manufacturing, celebrating our area's manufacturing heritage and highlighting our shared dedication to sustainability.

At Biologies & Geologies, you will find performances of all types with everything from local and touring acts, DJ sets, and hip-hop beats, to aerial and dance performances, comedy shows, spoken word poetry, and so much more! Stay tuned for the complete music and performance lineup later this summer!

"Biologies & Geologies is a very timely and exciting theme! With countless interpretations and avenues to explore, we are working with our broad community to demonstrate the connections between creativity and technology through the lens of sustainability, Cleveland's rich industrial history and the natural world," says Marketing & Development Manager, Emma Morris. "This year will be bigger than ever before, and we can't wait to share it with everyone!"

Partnership opportunities for Cleveland businesses of all kinds are still available, but hurry! Our unique space is quickly filling with site-specific installations, team-led projects, school groups, nonprofit exhibitors and local business sponsors that bring it all to life! Wondering if IngenuityFest is the right venue for your project or business? Please connect with [emma@ingenuitycleveland.org](mailto:emma@ingenuitycleveland.org) for more information. IngenuityFest 2023: Biologies & Geologies is presented with major support from Gund Foundation, Cuyahoga Arts and Culture, Ohio Arts Council, Dominion Energy,

Thompson Hine, Ulmer & Berne LLP, Case Western Reserve University, Gilbane, and more.

There is still time to get involved! Applications for artists, performers, makers, and vendors are reviewed on a rolling basis and can be submitted at [bit.ly/2023festapplications](https://bit.ly/2023festapplications). Ingenuity also hosts free community arts workshops all summer long on Thursdays and Saturdays through the Festival. These in-house expert builders, the “Ingenieurs,” will work alongside YOU to build the large scale installations and exhibits that make IngenuityFest so unique. This is an opportunity to get your hands dirty, develop new skills, and meet fun-loving fellow artists of all backgrounds. Join and follow [IngenuityFest 2023: Biologies & Geologies](#) and the [Public Art Workshops](#) on Facebook.

Volunteers may join us by signing up at [bit.ly/ingenuityvolunteer](https://bit.ly/ingenuityvolunteer). Interested participants may also sign up to join or receive more information about the weekly volunteer-driven group The Ingenieurs by signing up at [www.ingenuitycleveland.org/engage/ingenieurs](https://www.ingenuitycleveland.org/engage/ingenieurs).

Want more from Ingenuity Cleveland? Don't forget we also have a very unique artist residency program through our IngenuityLabs Incubator! Build with us in your own dedicated space all season leading up to IngenuityFest, and learn about opportunities to stay long into the future! Learn more and apply to the IngenuityLabs Incubator at [www.ingenuitycleveland.org/programs/ingenuitylabs/#incubator](https://www.ingenuitycleveland.org/programs/ingenuitylabs/#incubator).
