

## IngeNEWS: Connect With Us!

### Connect With Your Neighbors

We hope you'll join us on Thursday, August 19 for [Dialled In: Digital Equity & Connectivity](#). We'll have all sorts of connectivity wizards with lots of resources to help you get connected in every way! Some of our partners and activities for this month include:

[Cleveland Metropolitan School District's Family and Community Engagement team](#), who will be on hand to talk about connectivity resources for the upcoming school year

[PCs for People](#), who will map attendees to see if you're eligible for low-cost internet services

[Cleveland Public Library](#) will be on-site with information about their Digital Literacy offerings and resource, as well as a showcase of some of their awesome maker services.

[Bellefaire JCB](#) will bring games for kids of all ages

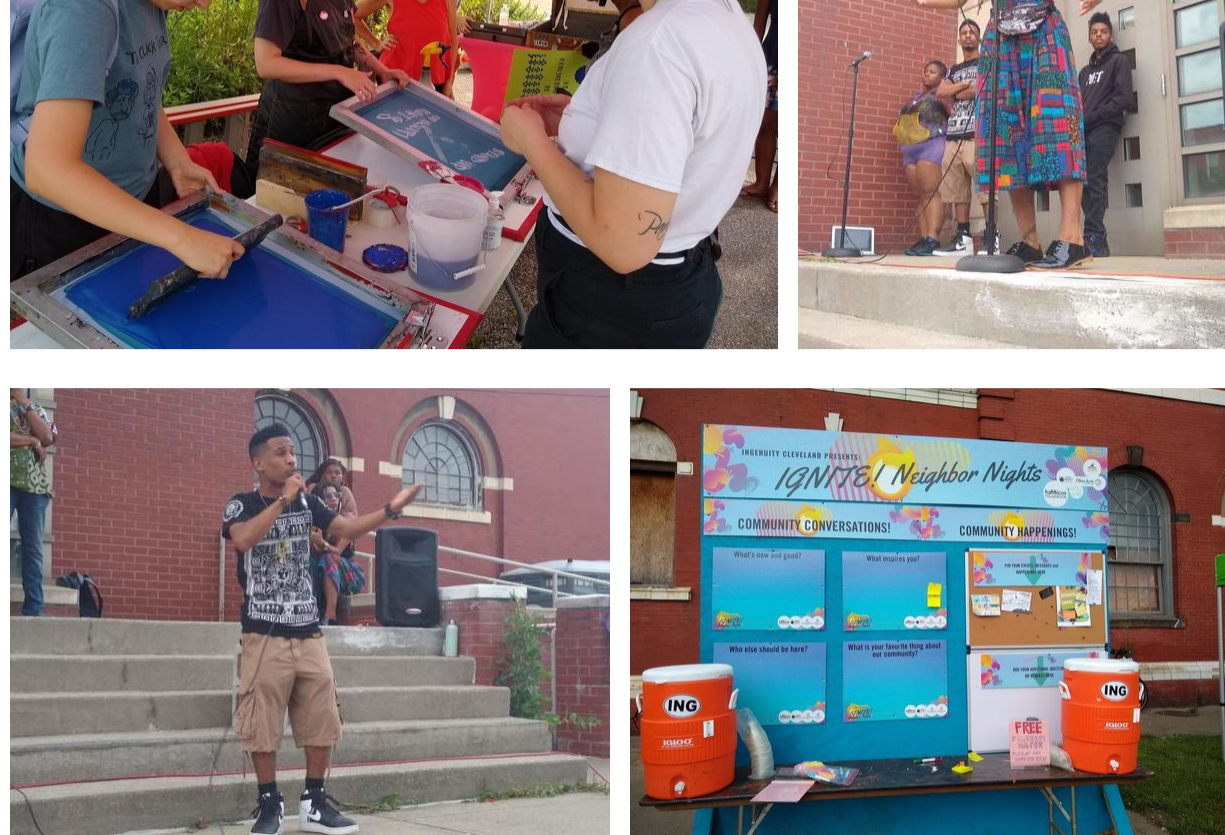

[Step Forward](#) will have all sorts of information about their many programs, from Community Services and Emergency Services, to utility bills payment and COVID-19 emergency assistance.

[Cleveland Kids Book Bank](#) will be passing out books for kids!

...and so much MORE!

As always, there will be fun activities including live performances by folks like [Self Taught No Lessons](#) and make-and-take crafts for kids of all ages!

#### Neighbor Nights Info

Remember, we won't have a Neighbor Night in September, but we hope you'll join us for upcoming [Ingenuity @ The Lake](#) programming!

### Ingenuity @ the Lake

### Get Your IngenuityFest Fix

On our traditional IngenuityFest weekend, Ingenuity at the Lake will feature a sampling of our usual mix of art installations, live performances, vendors, and more, all arranged along walking pathways that help us get to know our lakefront resources just a bit better!

The event will be entirely *al fresco*, with a focus on movement, open air and enjoying our city's green spaces . . . it's a great way to get out and celebrate the last few days of Cleveland summer, and we hope to see you there!

Applications for vendors, exhibitors, and performers are still open! Click the buttons below to submit yours today!

### Call For Artists: City of South Euclid

The City of South Euclid, in partnership with Ingenuity Cleveland is pleased to announce a Call for Artists! To be considered for this project, artists are asked to submit a sketch concept along with samples of their works. A total of two large-scale murals will be available, therefore two opportunities to paint a mural will be awarded to two different artists.

The large-scale murals will be painted at a live event on Friday, September 10, 2021 and will be temporarily displayed at an outdoor location for four weeks following. The murals will then be stored at Ingenuity Cleveland or at the City of South Euclid for future use at city events.

**Submission Deadline:** August 22, 2021

#### Submission Form

### Ingenious Spaces

Let Ingenuity help you take your office space from drab to delightful! If you're tired of looking at generic office art and want to take your workspace to the next level, [Ingenious Spaces](#) is for you! Ingenuity will work with you to develop a goal for your facility, and will facilitate a Call for Artists to submit their artwork and/or photographs. We'll collect all the submissions, and curate a portfolio for you to choose from. Then, we print and hang the selected works in your space.

Sounds almost too good to be true, right? It gets BETTER! When you work with the Ingenious Spaces program, you're not only living up your office with beautiful art, you're also supporting Ingenuity (a 501(c)(3) nonprofit) and lots of local artists. All of this helps to keep Cleveland an exciting place for creative folks to live, work, and play.

But don't take our word for it! Take a look at the video below to see how the Ingenious Spaces process works, and to hear from an Ingenious Spaces participant!

### Community Spotlight: Tri-C

Workers are in high demand for jobs in web and interactive media, interior design and media and journalism studies. You can get started on your career path in any one of these programs through the Tri-C Creative Arts Center of Excellence!

Tri-C offers intimate class settings taught by working professionals in media and design industries. And, tuition is the lowest in the state of Ohio! Many students in these programs go on to work for many reputable companies right here in Cleveland like American Greetings, Cleveland Magazine and Vocon Design, to name a few.

Classes are offered at many campus locations, with the hub of our classes taking place at the Gil and Tommy LiPuma Center for Creative Arts at the Metropolitan Campus. The Center for Creative Arts houses media arts, recording arts, and performing arts studios, animation and music technology labs, and dance and theatre studios.
