Vehicle Logistics:

Parking: Street parking is abundant in the area surrounding the festival, but a lot will be available at 5000 Lakeside Avenue (just around the corner from our 53rd Street entrance) for \$5. Parking is always at attendee's own risk and Ingenuity is not responsible for any loss, theft, or damage. The lot is locked 30 minutes after the fest closes each night.

Ridesharing: Consider taking an Uber or Lyft! The festival is located at 5401 Hamilton Avenue. However, the designated rideshare dropoff address is 1279 E. 53rd Street.

Live Nearby? BIKE to the Fest: Bike parking will be available at the E. 53rd Street gate. Remember to bring your own lock and park at your own risk!

Accessibility:

For individuals with disabilities arriving by shuttle, taxi, rideshare, accessible transport van or private vehicle, a reserved drop-off zone will be located near the Volunteer Check-In on Hamilton Avenue (at 5401 Hamilton Ave).

Accessible parking spaces will also be reserved in the Staff/VIP/Artist lot, directly across from the 5401 Hamilton Avenue address. Additional off-site parking will be provided in a section of Ingenuity's general audience lot. We are continually making accessibility improvements to our site including providing elevator service to the 2nd, 3rd, and 4th floors, addressing challenging areas of asphalt and providing numerous accessible restrooms on the ground level. However, our site still contains areas of uneven terrain including gravel, stairs, and some passageways or art installations that may be narrower or challenging to access. We will make every attempt to accommodate you.

For more accessibility information, questions about access, or for assistance on the festival site, please email info@ingenuitycleveland.org or call (216) 589-9444.

Sustainability:

Striving for Zero Waste—Look before you throw!

You can help make Fest environmentally friendly by avoiding single-use plastic like water bottles and straws. There will be many water filling stations, so attendees are encouraged to bring their reusable water bottles. You will see bins for compost, recycling, and landfill. Most of the food service products are biodegradable and compostable in the green bins. So are paper towels. Please look at the signs over the bins, talk to volunteers and be thoughtful when disposing. Thanks to our partners Rust Belt Riders.

Info & Merch:

Located centrally at the North end of IngenuityLabs across from the Tessaract Stage, equidistant from Marquette Street/Mechanique Biotique and IndusTree Alley.

Medical:

Medical Tent by MetroHealth located at center of even site in IndusTree Alley. EMS pickup at 53rd Street gate.

Restrooms:

Located in the outdoor lots in IndusTree Alley, near the entrance to IngenuityLabs, in Mechanique Biotique, and on the third floor in Makers Mecca. Some of our indoor bathrooms are all-gender, with single stalls.

ATMs:

Located at Main Bar in IngenuityLabs and on the 2nd Floor in Crystal Palace.

Food:

There will be a wide variety of food vendors on-site throughout the weekend. If you have dietary restrictions or allergies, please inquire with the individual food vendor.

Other Important Information:

Children: IngenuityFest is a family-friendly event, and children are encouraged to attend. Children 12 and under are given free admission to the festival. Parents should be aware that after 9pm, The Ingenuity Cabaret features more adult-oriented content including comedy (9-11pm) and burlesque (after 11pm), and is restricted to 18+.

Animals: IngenuityFest is **not** pet-friendly, *with the exception of service animals*. Kindly leave your furry friends at home. The festival takes place primarily indoors and can get crowded and uncomfortable for pets and some of the people around them.

What to Wear: Our event site is a former industrial facility that does include areas of rough surfaces, uneven flooring, areas of low lighting and other potential hazards, and we have made every effort to identify and address areas of concern. The warehouse, which has been an active workspace for more than 100 years, also maintains its "Cleveland Grit" and can be inherently a bit dirty. We recommend visitors wear sturdy shoes (rather than high heels or flip flops) and dress in layers, as our old warehouse can be very hot or chilly depending on the weather!

WE CAN'T WAIT TO SEE YOU THIS WEEKEND!
