All about Ingenuity at the Lake . . .

Fun in the Sun with our Neighborhood Partners & More!

As we wrap up a season filled with challenges and hope, Ingenuity Cleveland is proud to offer a fun-filled day of programming to gather together and remind ourselves what it's all about: great times with friends old and new, conversations about community, and laughter in the late summer sun!

Ingenuity at the Lake is a culmination of our year-long programming, activating our community through [monthly Ignite!](#), [Neighborhood Nights in Saint Clair Superior](#), and our series of [Hip! Hooray! Pops](#) with partners from the Cleveland Metroparks, Famicos Foundation, and the CHEERS initiative.

On our traditional IngenuityFest weekend, we're excited to continue expanding our neighborhood offerings with a family-focused, open-air event in Metroparks North Gordon and City of Cleveland South Gordon Parks. The site is near the 72nd Street Harbor and Lakefront Reservation, accessible from East 72nd Street and Gordon Park Blvd at the North end of Cleveland's Rockefeller Park and intersection of Saint Clair Superior and Glenville Neighborhoods.

The event is set up to emphasize the pathways and connections that bring residents to the Lakefront, so **Lace up your walking shoes and plan on one of the routes below:**
