What's Happening Around IngenuityLabs?

Thank you to everyone who visited us and IngenuityLabs members, the Makers Alliance on Saturday, August 12th at the Glenville Festival! We had so much fun crafting and learning to solder with creatives of all ages!

We were so proud to commission IngenuityLabs member Jackie Bertollette of Haute Ohio Magazine for this amazing custom creation for the Independent Jewelers Association's annual meeting at the Hilton Downtown. The dress she designed featured a 20 foot long train that became the "red carpet".

Thank you to everyone who joined us and The Sculpture Center on Thursday, August 3rd for the design challenge with Joshua Challen Ice! We had so much fun building and learning with everyone!
