

## Ingenuity Bal: Biotique Line-Up Announced!

### Spring into action!

With spring officially underway, we could not be more excited about this season's programming! Join us for the [Ingenuity Bal: Biotique](#) on Saturday, May 6th, and don't miss the first [Ignite! Neighbor Night](#) of the season on Thursday, April 20th! Plus save the date for IngenuityFest 2023: Biologies & Geologies!

### Bal: Biotique Line-Up!

We are so excited to announce the performers for the [Bal: Biotique](#)! Don't miss headline performances from Nathan Paul & The Admirables and Wave Magnetik & Rowanne Atallah!

[Nathan Paul & The Admirables](#) have created a live experience that is all about good vibes! Going to an Admirables show is a party. Bold and funky earth tones from the horns at the front line lead the band through dynamic twists and turns. Hypnotic grooves from the rhythm section get heads bobbing and bodies moving. As the old adage goes, music is food for the soul and the Admirables will get you fed!

[Wave Magnetik](#) (producer and trumpeter) and [Rowanne Atallah](#) (Lebanese performing artist) have joined musical forces creating melodic infectious dance music symbolizing unity in diversity. Combining Rowanne's middle eastern roots and Wave's jazz background, they have given birth to a new electronic dance music era called "Hayete"!

Plus don't miss interactive dance demonstrations and performances from [Viva Dance Studio](#), DJ sets from [SqrBiz](#) and [Splice Cream Truck](#), cirque & aerial performances from [Crooked River Circus](#) and so much more!

Finally, it wouldn't be an Ingenuity Bal without festival sneak-peeks, hands-on demonstrations, and a little mischief (Think: Bumper Cars)! You might even join our IngenuityLabs entrepreneurs to try your hand at printmaking, soldering, or throw a few sparks learning to weld: There is sure to be something for everyone!

Our annual Bal unites artists, entrepreneurs, & performers in the creation of a unique landscape of music, dance, comestibles & themed enclaves to explore. Don your flora- and fauna- inspired best (or whatever makes you comfortable) for an enchanting costumed evening!

### Save the Date(s)!

Join us for [IngenuityFest 2023: Biologies & Geologies](#) taking place September 22-24! Dedicated to a rebirth, and celebration of our singular planet's resources and wonders, this year's Fest will explore how human innovation interacts with communities across earth, air and water. IngenuityFest 2023 is a journey through crystal caverns, aquatic landscapes and more, at once whimsical and wholly serious in its dedication to environmental stewardship, sustainability and innovation and human invention.

In addition to unique performance spaces, original works, and hundreds of exhibitors, performers and artisans, in 2023, we'll welcome returning festival villages Makers Mecca, Wellness Way, Inventors Emporium, Ideation Station and IndusTree Alley, dedicated to changing perceptions about manufacturing, celebrating our area's industrial heritage and highlighting our shared dedication to sustainability.

Applications are **NOW OPEN** to participate in IngenuityFest 2023! Be sure to follow us on [Facebook](#) for all the latest updates!

Want to help us prepare for IngenuityFest 2023? The easiest way to get involved is by becoming an [Ingeneer](#)! We meet every Thursday from 6-9pm at IngenuityLabs to vision, build, create & more!

I'd like to apply for IngenuityFest 2023!
