Each year, nonprofit arts & culture organizations offer millions of cultural experiences for residents and visitors.

Vote YES on Issue 55

Want to Continue Supporting Arts & Culture? Vote YES on Issue 55!

Public funding for our nonprofit arts and culture benefits everyone! Since its inception, Cuyahoga Arts & Culture (CAC) has been a cornerstone in supporting our region's arts and cultural nonprofits through a unique cigarette tax. With over 4,000 grants awarded to 485 organizations, CAC is one of the largest local public funders of arts and culture in the U.S.

However, because of declining smoking rates, funding from the tax has declined nearly 50% putting this groundbreaking initiative at risk. It's time to replace our current tax with a new tax that would inject additional resources to our treasured assets that provide millions of experiences every year to Cuyahoga County residents.

This election, voters have the opportunity to approve a 3.5 cent per cigarette replacement tax to ensure long-term, increased funding for these essential nonprofits. By supporting Issue 55, we can enhance quality of life, educational outcomes, and economic prosperity throughout Cuyahoga County.
Though Issue 55 appears at the end of the ballot, it's a top priority for our community. Be sure to vote YES on Issue 55 this election! For more information, visit VoteForArts.org.
